School Captain Report

We have been very busy practising for our Performance
which is being held next Tuesday evening. We all
cannot wait for everyone to see us perform on this very
special night.

We all would like to congratulate Tom on making it
to Nationals and wish him all the best.

Hope to see you all at the Christmas Party on Saturday Night.
The end of the year is fast approaching and Performance practice is well underway. Don't forget to mark the 1st of December on your calendar. Could everyone please bring a plate to share.

**Sport and Recreation's Swim and Survive lessons**

Australian summers usually involve plenty of fun in and around the water, but no parent should forget how important it is to make sure children stay safe.

Sport and Recreation's Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs provide wonderful results, and are great fun as well. Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are $69 for school-aged children and $49 for preschoolers (prices exclude pool entry fee).
